Date Bottled: September 3rd, 2020

Total Production: 149 cases

Harvest Data

Hazlitt Vineyards

Harvested: September 29, 2019

Brix: 23.4

Vinification

The fruit was machine harvested on a cool day in September and left overnight before crushing and pressing without any extended skin contact time. The juice was allowed to settle for 48 hours before racking and inoculation with Alchemy 1; fermentation lasted 4 weeks at temperatures less than 65°F. This wine was naturally cold stabilized by winter cellar temperatures and is vegan friendly.

Vineyards

Hazlitt 1852 Vineyards was created in 1985 by Jerry and Elaine Hazlitt whose family has been farming there for over six generations. The sauvignon blanc vineyard was planted in 2013 and is evenly split between clones 530 and 376.
