2020

Cabernet Franc

Fruit for our 2020 Cabernet Franc comes from our eastside vineyards. The site is composed of sandy soils with excellent drainage for consistent high-quality fruit.

Fruit was both hand & machine harvested, de-stemmed on-site and carefully sorted. Fermented in small one-ton picking bins, the ferments were punched down by hand, pressed, and aged for 20 months in neutral French oak. Wines are naturally cold stabilized. Vegan friendly.

Bright and floral with bursts of ripe red fruits. Soft, elegant tannins give way to a long finish with subtle background notes of tobacco and earth

Technical Data

Harvested	October 29, 2019 @ 21°
pH	3.50
Total Acidity	6.4 g/L
Residual Sugar	0.2 g/L
Alcohol	11.6% ABV
Production	166 Cases
