Keuka Lake Vineyards
2022 Dry Riesling

Tasting Notes

Aromas of lemon meringue, honeysuckle, quince greet the nose, while the palate is zesty with lime, lemon curd and marzipan on the finish. This wine pairs well with sushi, chicken piccata or a shaved fennel orange salad.

Winemaking

The grapes were hand harvested in four picks starting, September 30 to October 6. Each lot was kept separate and pressed using partial whole cluster while the rest of the grapes were destemmed on top. The juice was allowed to settle for 3 days before racking off the heavy solids. Each tank was then inoculating with RHST yeast. Fermentation was kept in the low 60's finishing in 6 weeks. The wines stayed in tank on fine lees till July when the tanks were blended and sterile filtered. Vegan friendly
