Keuka Lake Vineyards
2022 Semi-Dry Seyval Blanc

Tasting Notes

This light crisp white is a lovely everyday white table wine. A kiss of sweetness helps balance the bright acidity. Pair with tacos, Indian or a fresh fruit salad

Winemaking

The grapes were hand harvested from both the Seyval blocks on our Eastside Estate Vineyard. 1 Bin was loaded into the press whole cluster while the others were destemmed on top. The juice was allowed to settle for 3 days before racking off the heavy solids, chaptalized and inoculating with DV10 yeast in 2 stainless steel tanks. Fermentation was kept in the low 50's finishing in 6 weeks. Wine was sterile filtered at bottling. Vegan friendly.
